As part of our Premier Range, these brooms are good, durable and effective but have thinner backs and are lighter than other equivalent products in the general Hygiene Range. They are ideal for moderate use in industrial settings or restaurants and supermarkets where well made, easily cleaned, color coded cleaning equipment is required, but are not likely to receive heavy industrial use. Recommended handle, ALH5. See also B1657, B1786 for similar brooms, or B1134 for heavier industrial weight brooms.
